* 1lb. and 2 lb. honey must be in plastic Queenline jars.

**The vendor supplying the 1 oz. bars must provide the "Many Uses of Beeswax Sheet."

¹ Wax bars must be in square, rectangular or hexagon form. ² Candles must be packaged in pairs.

All wax products must be made of unbleached high quality lemon yellow colored beeswax.

³ Include samples of miscellaneous items that have not been specified on bid sheet.

Any non-honey vendor wanting to sample their products must provide suitable sampling spoons or sticks.

Bidders must pick up all remaining product the last night of the Fair or the following day by 10:00 a.m. Any honey not claimed will be donated to benefit the queen program.

Bids will only be accepted from WHPA members in good standing.

The winning bidder will be the low bidder. In case of tie bids, the winning bidder will be the bid with the earliest postmark. The Bid Committee reserves the right to reject any bid when questions of product quality and/or reliability are a concern.

The Bid Committee reserves the right to adjust product variety on successful bids pending updates to COVID-19 guidelines and/or restrictions as directed by the WI State Fair.

Bids must be postmarked on or before JUNE 26, 2021 to be considered.
Bids are to be sent to Jeff Budewitz - N2558 Lovers Lane Rd. Watertown, WI 53098
